

Dassault Falcon 7X

Airframe Total Time: 1961:48 Hours

▪ 864 Landings

As on date 13-03-2018

ENGINES

Make: Honeywell Model: PWC 307A Boroscope Inspection: 3,600 Enrolled in Eagle Service Program

Left Engine: S/N: PCE-CH0173

Total Time: 1961:48

Cycle Since New: 869

Right Engine: S/N: PCE-CH0175

Total Time: 1945:26

Cycle Since New: 861

Central Engine: S/N: PCE-CH0176

Total Time: 1961:48

Cycle Since New: 869

APU

Make: Honeywell

Model: GTCP36-150 (FN)

Enrolled in MSP Gold

Serial Number: P-124

Total Time: 1722:00

Cycles: 2614

AVIONICS

Electronic Flight Instrument : Honeywell DU-1310

Communication (VHF) Receiver: Triple Honeywell TR866B

Navigation (VOR) Receiver: Dual Honeywell NV-875X

Automatic Direction Finder: Honeywell Dual DF-855

Transponder : Dual Honeywell XS – 857A

Distance Measuring Equipment: Honeywell Dual DM-855

Color Weather Radar : Honeywell WU 880

Radio Altimeter: Honeywell Dual KRA-405B

High Frequency Communication : Dual Honeywell KHF 1050

SELCAL: HF & VHF (2 Channel)

Inertial Reference System : Tripple Honeywell IM-950

Cockpit Dual Combi Voice Recorder/ Digital Flight

Data Recorder: Honeywell AR-204C

EGPWS : Honeywell Mark V

TCAS : ACSS TACAS – 3000 (TCAS II CHANGE 7.1)

ELT : Honeywell ELT RESCU 406AF

GPS : Honeywell Dual GPS-90X

SATCOM Flight Phone/fax/ data : AIRCELL

EQUIPMENTS

Microwave oven

220v Ac (1200va) 50Hz Power

Cabin Fitted With Dual. LCD 14" Monitors

2 Ea 6.5" Plug-In LCD'S

High-temp oven

Coffee maker

Smoke Hood

INSPECTION OVERVIEW

RVSM, RNAV 1, RNAV 2, RNAV 5 & RNAV 10 Compliant.

New Aircraft with well painted Exteriors, Fully furnished interiors and free from any incident or accident

12 M OR 800 FH, 800 FH, 24 M OR 1600 FH, 1600 FH, 36 M OR 2400 FH, 48 M OR 3200 FH AND 1C inspections Complied.

Aircraft enrolled in Falcon care Program

Engines enrolled In ESP Gold & APU enrolled In MSP Gold

On CAMP & FLYPAL Computerized Maintenance Tracking Program

CAR 145 Maintained and CAR M Operated

Easy II+ Complied

INTERIOR

Seating capacity of 14 passengers with original beige leather interior with fabric protection. 20-inch wide single seats with 3-inch armrests, flight manual storage box, third flight deck seat with audio interphone system, Flightdeck oxygen mask with comfort harness, parallel cabin call system annunciation in the galley, galley pocket sliding door, custom 30-inch LH main cabin closet/entertainment coffeemaker, high-temperature oven, custom high gloss wood veneer side ledges, custom rounded cabinetry, dual auxiliary work shelves, RLI, Atlas/World Time Zone Mode, dual 14-inch LCD monitor, Rosen 6.5 inch plug-in monitor, DVD/CD player, Fax machine, Custom metal plating, tracking magazine racks (2), telescoping tow bar with mount.

EXTERIOR

Original exterior: white fuselage with green and gold stripes, tan tail section and wings.

WEIGHT

Max Take Off / All-Up Weight: 31,751 Kg / 70,000 lbs

Max Zero Fuel: 18,597 Kg / 41,000 lbs

Max Landing Weight: 28,305 Kg / 62,400 lbs

Basic Empty Weight: 16094.20 Kg / 35481.50 lbs

INSPECTION STATUS

Inspection	Frequency	Date / Hrs. Completed	Next Due On	Next Due at HRS/ Ldgs
Basic Inspection	400 Hrs. / 12 Months	28-Jun-2017 / 1880:49 H	28-Jun-2018	2280:49 H
